

Rules

- Taima Zone is an UNSUPERVISED area. Parents/guardians are responsible for supervising their own children. We do not accept responsibility for the supervision of the children. Taima Zone is not responsible for your children's safety or any injuries that may result from unsafe play or inappropriate use of equipment. Parents and guardians are required to ensure their children understand the rules of play.
- Socks are mandatory within the play area for adults and children. If you forget to bring them...do not panic! Socks are available for purchase at the front desk.
- Please do not eat or drink in the play area. There is plenty of room in our coffee lounge or in the party room for you to have a coffee or snack! There is absolutely no gum or candy allowed in the play area.
- Please ensure that you and your child are free of illness. Come back and play when you feel better. It just makes it nicer for everyone.
- Taima Zone staff take pride in ensuring that the premises are kept clean and germ-free. Therefore, all hands should be disinfected with hand sanitizer before entry into the playground. Also, if you spill something, please let us know.
- **We try our best to respect those that have severe allergies and to be a nut-free environment**, so please keep this in mind and avoid bringing any product that may contain nuts or traces of nuts to our facility. However, because we allow outside food to be brought in, **we cannot guarantee our premises to be nut-free. Please note that Tim Hortons' products may contain traces of nuts.**
- Children and adults must go down the slide(s) feet first. Climbing outside of the play structure is not permitted. There are also no toys allowed on the play structure.
- Taima Zone is not responsible for any lost or stolen items.
- Appropriate behaviour and language is expected by everyone at all times. Taima Zone reserves the right to refuse admittance or to ask you and your child to leave if the equipment is being used improperly, your play is unsafe or disrespectful to others or if you or your child are not adhering to our rules.
- There must be a ratio of no more than five children for every adult.
- Taima Zone takes pride in our clean and germ-free facility. Please help us maintaining our germ-free environment by using the hand sanitizer at the front desk before entering the centre.

- Please abstain from bringing any sharp objects/materials and glass bottles/containers. Plastic utensils are preferred.
- Please inform our receptionist of any accident even if it is a minor one. This will help us maintain up-to-date our records for safety inspections and to ensure it doesn't happen again.

PARENTS/GUARDIANS SHOULD NOTE THAT WHILE EVERY CONSIDERATION HAS BEEN GIVEN TO THE SAFETY OF CHILDREN USING OUR FACILITY, TAIMA ZONE INDOOR ACTIVITY CENTRES CANNOT BE HELD RESPONSIBLE FOR ACCIDENTS WHICH OCCUR AS A RESULT OF CHILDREN PLAYING ON THE EQUIPMENT OR IN THE FACILITY.
